

(SPECIAL) PIGS MACH 4 [joke post]

4/3/2021 Internal release and briefing

DO NOT RELEASE DO NOT RELEASE DO NOT RELEASE

(SPECIAL) On August 21, 2021, pigs will start flying at Mach 4, faster than Concorde

This is extremely hazardous for any flying aircraft, helicopters, hot air balloons etc.

Do not tell anyone about this as it will cause too much fear if the public know about it before it happens

Extraordinary acceleration [joke]

It's not yet known how pigs will be able to do this, but they will be able to accelerate to Mach 4 in only 6 minutes.

Countdown to 21 Aug 2021 10:22:09 in Tucson
